Kidz Church curriculum based on the motto “Lead Small” which means that we have classes for toddlers, preschoolers, and elementary children. Each class has leaders who teach, love and pour into the children each week. We couldn’t have Kidz Church without dedicated volunteers. We ask teachers to serve on a rotation that best fits their schedule.

Kidz Church Teachers: Bible teachers must be creative and energetic individuals who can engage children through telling of Bible stories, actively engage with children during playtime and activities. They will teach the provided Bible lesson for each week.

Substitute Teachers: Substitute teachers step in to help for absent teachers.

Greeters: The greeter team is present in the lobby on Sunday morning for both services. They greet, welcome families, and help with check in as needed. Greeters serve for about thirty minutes for the beginning of both services.

If you’re interested in becoming a part of the Kidz Church team, please fill out the application.
