## Join Our Team!

Gateway Foursquare Church is looking for a passionate and dedicated Next Gen Pastor to lead and grow our children, youth, and young adults ministries. If you love Jesus, love students, and have a heart for discipleship, this could be the perfect place for you! We're a growing, vibrant church with a strong foundation, an amazing volunteer team, and a deep commitment to seeing the next generation encounter Jesus and live out their faith.

## About Gateway Foursquare Church

Gateway Foursquare Church is located in a central residential community in Campbell River. We are within walking distance of a high school, middle school, and elementary school, making our church a prime location for reaching students and young families.

We put a high emphasis on genuine and passionate worship, exegetical biblical preaching, and most of all, being led by the Holy Spirit. We love walking in the gifts of the Spirit as we've been called by God. Outreach is a key value for us, demonstrated by our weekly food share program in a parking lot and a seasonal clothing share program. Missions is also growing in importance, and we are eager to develop a stronger culture of sending mission teams from our fellowship.

Our Sunday services attract approximately 175 regular attendees across two services (9 AM and 11 AM). Our youth ministry is thriving, with about 50 middle and high school students regularly attending. Many of our students are from unchurched families or other churches in the community. Our Sunday School program serves 15-20 children, and we are excited to make this an area of renewed focus. A mid-week children's outreach program is something close to our Pastor's heart, and we are praying for the right person to help make this vision a reality!
